

Health and Safety Data

Substance or preparation trade name:	Bulb Starter
Biological Contents:	Contains naturally occurring mycorrhizal fungi
Reactivity:	Chemically stable
Boiling Point:	N/A
Flammable:	No
Carcinogenic:	No
Mutagenic:	No
Toxic to reproduction:	No
Danger to the environment	No
Fire Risk	Not a fire risk when stored under recommended conditions
Hazards identification	No Significant Hazard
Usage notes:	Avoid creating excessive dusts, especially in enclosed environments. Avoid contact with skin, eyes and clothing
Storage:	Avoid creating excessive dust. Store in containers supplied. Avoid overheating and freezing.
In event of spillage:	Wet down spilled material lightly. Sweep up excess material and use the product as intended
