

Health and Safety Data

Substance or preparation trade name:	Grow Your Own Seaweed Fertiliser
Biological Contents:	Contains natural seaweed extract
Reactivity:	Stable under normal conditions.
Boiling Point:	N/A
Flammable:	No
Carcinogenic:	No
Mutagenic:	No
Toxic to reproduction:	No
Danger to the environment	No
Fire Risk	Not a fire risk
Hazards identification	No Significant Hazard
Information on ingredients	Hazardous ingredients: Phosphoric Acid – can be irritating to eyes Manganese Sulphate – can be toxic to aquatic organisms, Manganese Nitrate Solution – can be irritating to eyes.
Usage notes:	Avoid contact with eyes, skin.
Storage:	Store in bottles supplied. Keep in a cool, dry, well ventilated area. Keep bottles tightly closed. Avoid overheating and freezing.
In event of spillage:	Do not allow product to enter drains. Prevent further spillage if safe.
