

RHS WILD BIRD FEED

HELPING OUR FEATHERED FRIENDS TO THRIVE

Specially
formulated to
attract a **wide**
variety of **birds**
to your garden

RHS WILD BIRD FEED

will attract a wide variety of birds to your garden.

Sourced from one of Europe's largest seed houses, the RHS Wild Bird Food range offers supply of quality, high energy formulations including bird seed, suet balls, suet cakes and meal worms. The range comprises thirteen SKU's, carefully selected for known selling potential and designed to support bird health throughout the year. The packaging is beautifully presented and designed to be different from other established ranges to ensure it stands out on shelf.

Supplied directly to you by PlantWorks Ltd, producers of the RHS Empathy range of biologically active fertilisers, RHS Wild Bird Food can achieve collective discounts across the two product ranges, whilst benefiting from the excellent logistics and sales support that PlantWorks are renowned for.
