Endorsed by

Attracts  
Great Tits,  
Sparrows,  
Chaffinches  
& Other Species

Our range of high quality formulations are developed to help support bird health throughout the year. Proudly endorsed by the RHS and grown on Fair to Nature farms which have a focus on restoring the balance of nature in farming.

The range comprises four SKU's carefully selected for known selling potential in a beautifully presented and eye catching design. This packaging is designed to be different from other established ranges to ensure it stands out on shelf and online.
